POST

I'm so excited to share that we are acquiring the financial services app, @step

Nobody taught me about investing, building credit, or managing money when I was growing up. That's exactly why we're joining forces with Step! I want to give millions of young people the financial foundation I never had. Lots to share soon :D

iii.

Bonus at year-end.

Yield earned becomes the kid's 13th allowance — a year-end bonus.
